

Students in ePIRLS Successful in Webpage Navigation

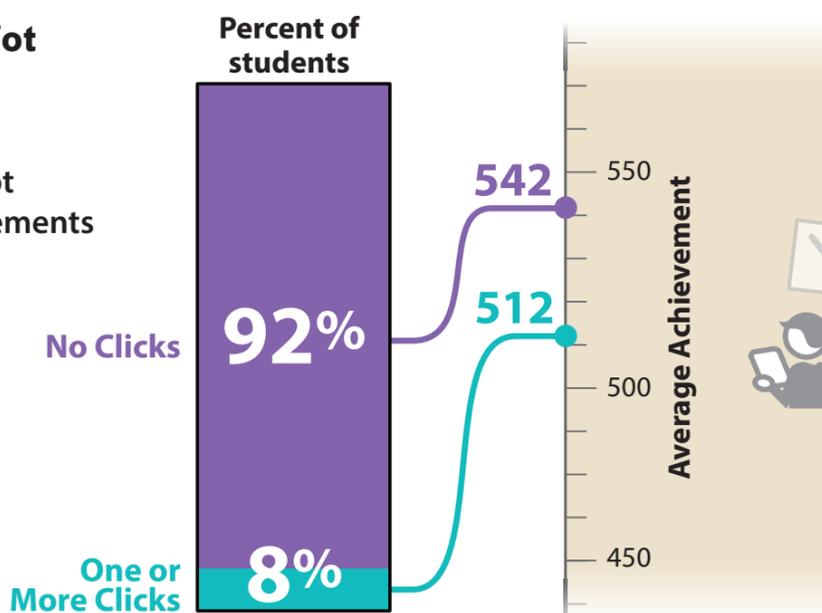

Followed Teacher Avatar's Instruction

Most students navigated to all required webpages.

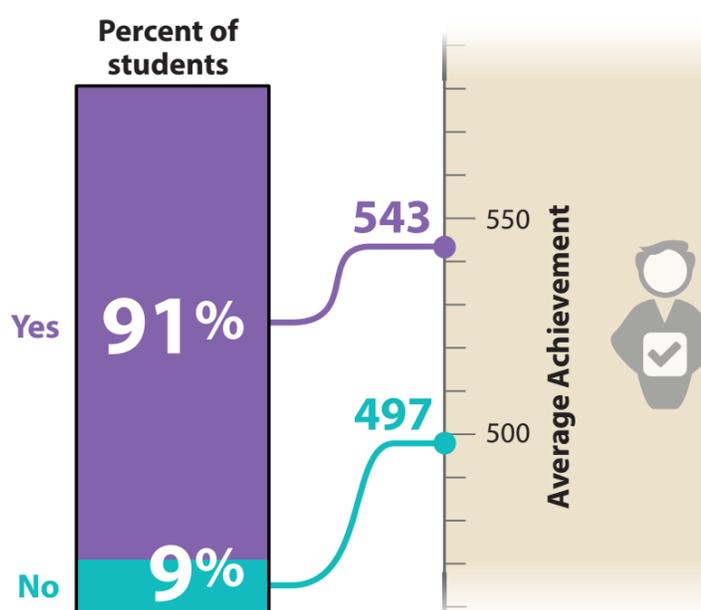

Students Were Not Distracted by Advertisements

Most students did not click on the advertisements embedded in the ePIRLS tasks.

Students Completed All Questions

In ePIRLS, most students had no difficulty completing the assessment.

Looking Back Across Webpages to Integrate Information

Students who looked back had higher achievement, but most students did not look back.
